

DANIEL GALLEGO

Senior Project Manager

(+49) 30 9876543 d.gallego@example.com Kantstrasse 14, 10623, Berlin, Germany

ABOUT ME

Experienced and dependable Senior Project Manager with vast expertise coordinating international engineering projects, logistics, and operational programs. Adept in leading cross-functional teams, optimizing technical workflows, and ensuring quality, budget, and safety compliance across European standards.

EXPERIENCE

09/2019 – CURRENT | Berlin, Germany

Senior Project Manager | Siemens AG

- Managing international engineering projects in the energy sector (budgets up to EUR 5M).
- Coordinating cross-functional teams (20+ members) across Germany, France, and Poland.
- Optimizing internal workflows, resulting in a 15% reduction in operational costs.

08/2014 – 08/2019 | Berlin, Germany

Operations Specialist | Deutsche Bahn

- Analysis and planning of complex logistical routes across Northern Europe.
- Implementation of a new digital cargo monitoring and tracking system.
- Preparing operational efficiency reports and strategic presentations for senior management.

EDUCATION

09/2012 – 06/2014 | Berlin, Germany

Master of Science: Engineering Management

Technical University of Berlin (TU Berlin)

09/2009 – 07/2012 | Munich, Germany

Bachelor of Engineering: Industrial Engineering

Technical University of Munich (TUM)
